

Rethinking Infrastructure®

ARORA'S 2026 COMPANY OVERVIEW

Company Objective: Be a "Leader in Infrastructure Solutions."

Arora seeks to be the largest and best minority owned infrastructure engineering, technology, construction services, and facility management firm. Our goal is to work with our clients for decades, adding value by providing services around the Arora Wheel at all stages, not specific to a single project.

Serving public and private sector clients throughout the US and abroad.

Our subsidiaries—EDI, ATG, ASG, JWI, and Monyx—strengthen our ability to deliver global solutions with local insight.
