Integrated Facility Management
Positive Work Environment

Well-maintained, safe, and efficient environments enhance employee productivity, satisfaction, and overall business performance. Arora Facilities Solutions can help create this environment by:

+ **Maintaining HVAC systems, lighting, and ergonomic furniture** to enhance employee comfort.
+ **Implementing structured cleaning schedules** to maintain hygiene and reduce health risks.
+ **Optimizing workspace layouts** to improve collaboration and productivity.
+ **Incorporating eco-friendly practices** to reflect environmental responsibility and employee satisfaction.
+ **Creating inviting common areas** that encourage social interaction and teamwork.
+ **Using smart building solutions** to enhance convenience and operational efficiency.
+ **Establishing communication channels** for employees to voice concerns and suggest improvements.
+ **Providing employee services** such as errands, transport and travel support, wellness and lifestyle programs, and amenity coordination.
+ **Delivering meeting and event support** that includes room setup, catering coordination, and AV services.
+ **Managing mailroom and courier** services as well as **IT concierge desks**.
+ **Coordinating space reservations and "hot desk" management** for booking systems and flexible workspaces.
